SSB Training

SSMENTORS is committed towards encouraging young candidates to face interviews with confidence and zeal. Our scientific approach nurtures the candidates overall intellectual, emotional and social aspects of personality. As we know, every individual has some unique abilities and aptitude. Therefore, understanding them is a big challenge. To achieve this, we devote personal attention to each candidate in understanding his/her strength/weakness and accordingly assist him or her.

We have systematic approach for SSB training. Our assessment tools are designed and established to provide aspirants with an actual SSB like physical environment. The facilities are conducive for various activities like Command tasks, numerous Group tasks (Progressive group, Half group and Final group tasks), individual and Group Obstacles. We also have matchless tools to conduct Screening tests, Psychological tests, Group discussion and Group planning exercises, Lecturette and Mock interviews, which help them, gain self-reliance and confidence.

SSMENTORS believes that success comes to those who put in right efforts to reach the goal. The most important aspect is how to express officer like qualities through various tasks and tests. We make sure that you start believing in your abilities and begin to express them. Our distinctive SSB training and coaching becomes the right platform for aspiring candidates to successfully clear SSB interviews for various entries. We assure you matchless methods for training candidates.
